Johnson Band Fall Conflict Sheet 2021

It is essential that students are at all rehearsals and performance. Please take time now and use the space below to list any conflicts your student will have over the course of the upcoming fall band season. Attendance will be a major factor in determining who earns primary marching positions. The directors will review all conflicts and, using the Johnson HS attendance policy, determine if the absence will be excused or unexcused. Students that miss rehearsals or performances, which are not listed on this form, will be in jeopardy of losing their marching privileges. **Please remember that listing a conflict on this sheet does not automatically constitute an excused absence. This is strictly for planning purposes.**
