SPECTATOR PARKING

There is an on-site spectator parking lot and an off-site auxiliary spectator lot with a complimentary shuttle to the stadium. The on-site spectator lot is located on the south side of the stadium (see Site Overview Map). There is a \$5 charge for on-site spectator parking. Spectators will not be charged a second time should they decide to leave and return, however **space is not guaranteed upon return.** **To enter the on-site spectator parking lot, approach the stadium from the south on West Parmer Lane and take the first entrance on your left. That is the ONLY spectator parking entrance to the stadium.**

The off-site spectator parking lot is located at the Round Rock Performing Arts Center (see Auxiliary Spectator Parking Map). There will be a complimentary shuttle service that will transport overflow parking spectators to the Kelly Reeves Athletic Complex. The shuttle will begin operating once the spectator parking lot at Kelly Reeves is full. We expect this to be around 3:00 PM. When taking the shuttle, spectators should schedule themselves to arrive at least 25 minutes before their bands scheduled performance time.

Outside food and beverage is **NOT** allowed in the Stadium. Please share this with your parents and boosters in advance.
